Attention: Shri A.Ghosh/Shri R.Majumdar

Dear Sir,

Please refer to the discussions undersigned had with Mr R. Majumdar regarding Electronic Drum Level Indicators for BCCL Project. M/s Hitech Systems & Services Ltd., Chennai had approached the undersigned for approval of 'Levelstat' Electronic Drum Level Indicator for our BCCL CPP and they submitted credentials for their products.

On going thru' the same and enquiring from our Renusagar unit we were given good feed back from them. As such, we do not have any objection if Levelstat electronic drum level system are considered for our CPP by M/s YBL, Bangalore. Firm may please be intimated accordingly.

Thanking You,

Yours faithfully,
For HINDALCO INDUSTRIES LTD.
