Dear Sir,

M/s. HORA, Germany has supplied PRDS valve with Honeywell actuators and Honeywell ELP convertor for our Phase-I PRDS System. They have come as a Stork Boiler Package System in the year, 1990. The PRDS valves are working satisfactory since last 10 years.

Regards,

PI note that we are having HORA Model
400-39 Stork valves for our steam reducing &
desuperheating station, which are in service
since 10 years & working satisfactory.

(S.N.DESAI)
