Sub. Performance of HORA PRDS (Steam Conditioning) Valves Type 400.39

Dear Sir,

We understand from M/S HORA, Germany that you are in the process of evaluating an offer for valve package which includes PRDS valves Type 400.39 of HORA make.

In this context , we would like to confirm that our company is a regular user of various types of HORA make PRDS valves including HORA Type 400.39. The performance of these valves is satisfactory. As per the feedback received , many of these valves are working in various plants over three years without any adverse report. We have used these valves in plant capacity upto 800 MW successfully .

Should you require any more information, please feel free to contact us.
